
TERMS OF REFERENCE (TOR)
TECHNICAL ASSISTANT (PROCUREMENT)
OPERATIONS TECHNICAL SECRETARIAT (OTS)
EASTERN UNIVERSITY, SRI LANKA (EUSL)
ACCELERATING HIGHER EDUCATION EXPANSION AND
DEVELOPMENT (AHEAD) OPERATION

1. BACKGROUND

The development of the higher education sector is of central importance to enable Sri Lanka to make the transition from a Lower-Middle Income Country (LMIC) to an Upper Middle-Income Country (UMIC). Recognizing this, the Government of Sri Lanka (GoSL) and the World Bank have agreed to support the higher education sector through a Bank Funded Accelerating Higher Education Expansion and Development (AHEAD) operation. The fund allocated for the AHEAD Operation is USD 100 Mn.

2. THE OPERATION

The AHEAD operation is organized into two components. The first is a Program Component that supports the national Higher Education Development Program. The second is a system strengthening, capacity building, and technical assistance component that will assist GoSL in strengthening the higher education sector and achieving the objectives of the AHEAD program component. This second will also cover monitoring and evaluation, policy analyses, program coordination, and communication.

The implementing agency is the Ministry of Education. The University Grant Commission (UGC) will coordinate the activities of the universities. There will be an Operations Monitoring and Support Team (OMST) which will coordinate and support all AHEAD activities between the Ministry of Education, UGC, and the Universities.

AHEAD has three Results Areas:

Results Area 1: Increasing Enrollment in Priority Disciplines for Economic Development

Results Area 2: Improving the Quality of Higher Education

Results Area 3: Promoting Research, Development, and Innovation

Operations Technical Secretariat (OTS) coordinate, monitor, and facilitate the activities of the AHEAD Operation at the university level. The Technical Assistants support the Director OTS in the administration, finance, procurement, and project management of the program.
